

# 50/50 Cost Share Program for Sidewalk, Curb & Gutter Replacement

The City of Montrose has two important financial assistance programs to help residents replace deteriorated sidewalks, curbs and gutters and remove, replace, or trim trees in the public right-of-way (see Tree Trimming Program flyer).

For information on the sidewalk, curb and gutter program, call 240-1482 or visit [CityofMontrose.org](http://CityofMontrose.org).

The City of Montrose is committed to helping maintain the beauty of our community. As part of this commitment, the city provides funds through the 50/50 Sidewalk Replacement Assistance Program to help residents replace deteriorated sidewalks, and/or curbs and gutters. The city will reimburse property owners up to 50% for the replacement of sidewalks and/or curbs and gutters. Funding is limited and assistance is provided on a first-come, first-served basis.

**TO BE ELIGIBLE FOR REIMBURSEMENT, APPLICATION MUST BE APPROVED BY THE CITY BEFORE WORK BEGINS .**
