

Montrose Competitive Youth Baseball League

Parent Code of Ethics

The essential elements of character building and ethics in athletics are embodied in the concept of six core principles: **Excellence**, **Leadership**, **Respect**, **Teamwork**, **Sportsmanship**, and **Integrity**. These values are emphasized through every effort the coaches, teams and players make throughout the season. **It is the first and primary expectation of the league that every adult mirrors these values to the players.** The highest potential of athletics is achieved when competition reflects these "six pillars of character."

All adult participants in City of Montrose Competitive Sports Programs are expected to:

- Refrain from coaching their child or other players during games and practices.
- Respect the officials and their authority during games and will never question, discuss or confront coaches at the game field, and will take time to speak to coaches at an agreed upon time and place, AFTER the game.
- Remember that athletes participate to have fun and that the game is for youth, not adults.
- Promote the emotional and physical well-being of the players ahead of any personal desire for their child to win.
- Not encourage any behaviors or practices that would endanger the health and well-being of players.
- Help teach their child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his or her performance.
- Require their child to treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex or ability.
- Be a positive role model for all players and will encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials, and spectators at every game, practice or sporting event.
- Will not engage in any kind of unsportsmanlike conduct with any official, coach, player, including the use of profane language or gestures.
- Appear on the field of play, stands, or anywhere on the premises while in an intoxicated state. Intoxication will be defined as an odor or behavior issue.
