Clarifications and Additions

1. Refer to the General Terms and Conditions, section D(11). As this is not a construction project, bonds are NOT required.
2. Refer to the Proposal Form – Page 1; Technical Specifications section 00 21 00 Instructions to Bidders paragraph 1.16(A); and Technical Specifications section 00 41 00 Bid Form paragraph 1.2, in regard to the requirement for pricing to be good for 90 days. Provide pricing good for the bid date (12/16/21) and state for how long it can be held if less than 90 days. If pricing cannot be held for 90 days, please provide, to the best of your knowledge, the amount of increase likely in that time. For example, if you know pricing will increase by 5% on 1/1/22, simply state that. Or, if you suspect (or know) that pricing will increase by some amount within 90 days after bidding but you just don't know by how much or when, please provide an estimated date and percentage. Provide this information on any convenient location on the proposal or bid forms you like. If no such information is provided, the City will assume that the pricing is good for 90 days as provided.
3. The notes included in the PDFs, found in the DropBox link here - https://www.dropbox.com/sh/654m4rjxxl93mm4/AAD4uE1yDF5S_E-H09JbFLgWa?dl=0 - are comments, questions, or concerns about the items' aesthetic, available finishes, and ability to match or exceed the functions listed out in the Data Specifications Sheets. In the next round of submissions, please ensure we have the following information:
 - o Dimensions comparing the Base Bid and the Alternate
 - o Foreseeable redesigns
 - o Information requested by BG+co in the Addendum #2 PDFs found in the DropBox linkFilling out the substitution forms provided in the bid documents helps BG+co to compare base bid and alternate furniture items accurately and fairly.
4. The alternates in this addendum without comments, questions, or concerns are considered an appropriate substitution to the base bid furniture item thus far. These alternates will be reviewed under the above listed criteria.
